

# **AFRC Automated Line of Duty (ALOD)**

## **Application Changes**

### **Application Release Information**

Application:	AFRC ALOD
Release Number:	1.1.4
Release Date:	Upon completion of Customer Acceptance Testing

## **Introduction**

This document contains the release notes for AFRC ALOD version 1.1.4. The following sections describe the release in detail and provide late-breaking or other information that supplements the main documentation. This is a maintenance release that includes some new features.

## **What's New?**

- Bug 302 – The Medical Technician and Medical Officer roles will be able to search a member's LOD case history and print the AFRC Form 348 and if applicable, the DD Form 261, regardless of the application's hierarchy restraints.
- Bug 221 – The LOD Board Technician will be able to add and view comments in the LOD Board Comments Tab.

## **Installation and Upgrade Notes**

### **Manifest**

This release consists of the following items:

- Release notes (this file)

## **Recent Changes**

- Bug 332 – When the Investigating Officer result column is selected in the AdHoc Reports, the Investigating Officers will appear.
- Bug 325 – The LOD Metrics Report (Average Times of LOD Cases) will return the correct data.
- Bug 324 – The LOD Metrics Report (LOD Cases) will no longer re-order the data results.
- Bug 285 – The AFRC Form 348 will correctly show the User's entries.

- Bug 281 – Users will no longer receive a “print error” message when clicking the print icon view of the AFRC Form 348.
- Bug 266 – Users will receive email notifications.
- Bug 265 – User will receive all email notifications.
- Bug 221 – All comments entered by the LOD Board members in the Board Comment Tab will be visible.
- Bug 213 – Findings will no longer appear on the AFRC Form 348 until they are entered by the user.
